

HELP US REMAIN OPEN

Thank you for the incredible support you've shown Lupulin Brewing Company as we've navigated through these challenging and unprecedented times. We appreciate your understanding as we continue to adapt to MDH requirements. Please be patient, kind, courteous and respectful as we implement these processes to keep our employees and customers healthy and to keep the beer flowing!

- **Masks are now required:** Masks will be made available to customers if they don't have one and these will be provided by our Beer Tenders. Customers will be required to wear masks at all times *unless they are seated at their table*.
- **Family & Dog Friendly:** Our only change at this time is that we ask that your dog remain outside and on a leash, no longer than 6 feet.
- **To-Go orders/Pickup:** To-Go beer is still available, you can place your order ahead of time on our online stores: [Big Lake, MN](#) | [Sioux Falls, SD](#)
- **Reservations (Big Lake, MN):** Indoor and outdoor seating is now available. Please sign in to our [waitlist](#) 10-15 minutes before you arrive to expedite the process. You will receive a text when your table is ready.
- **Time Duration:** We are requesting that your visit be no longer than 1 ½ hours, so that all of our fans can enjoy a pour at our Taproom.
- **Flights:** We are not serving flights at this time.
- **Growler Fills:** We are currently only filling Lupulin Brewing glass growlers.

In order to help us remain open, we ask that you:

- Please refrain from visiting Lupulin Brewing if you have been exposed to COVID-19 recently or have symptoms identified by the CDC.
- Respect social distancing guidelines.
- Utilize the provided hand sanitizer.

As new guidance is issued and as we learn more about how to best operate in response to this COVID-19 pandemic, we will make adjustments to our response. Please stay tuned to our website, social media and newsletter for updates as we navigate these unique times. Thank you for your understanding. We hope to serve you at full capacity soon.
