

**Job Title:** Brewer/Cellar Person - Production (Full Time)

**Reports To** – Head Production Brewer

Lupulin Brewing Company(LBC) is a busy and growing production brewery and taproom located in Big Lake, MN and Sioux Falls, SD. We are a team of passionate beer lovers with the focus of making spectacular beer and sharing it with others. LBC's core principles include customer access, community involvement, and a little bit of idiocracy.

### **Job Description**

This full time position as a Brewer/Cellar Person is responsible for all aspects of the brewing and cellar process including wort production, fermentation, cellaring, dry hopping, cleaning tanks, and packaging. This employee must be a hard working, responsible, and self-motivated individual with a passion for craft beer and a desire to continue learning and growing in the craft brewing industry.

### **Roles & Responsibilities**

- Operating brewhouse and producing batches from start to finish
- Yeast handling and management
- Cellaring duties include fermentation management, dry-hopping, and transferring finished beer.
- CIP (clean-in-place) of brewing and fermentation tanks, and other equipment
- Logging of all brewing related notes from brew day through fermentation and assisting with finishing and packaging
- Following SOP (standard operating procedure) in each phase of brewing, fermentation and packaging
- Maintaining clean brewing practices in the brewhouse and cellar
- Executing preventative maintenance on all brewhouse and cellar equipment
- Kegging, Canning, and Crowling
- Wear proper PPE when appropriate

- Willingness to help out with other tasks as needed.

### **Preferred Qualifications and Experience**

- 40+ hours per week and must be flexible to work day, evenings, nights and some weekends also when required.
- High school diploma or equivalent required
- 2 + years experience in a commercial production packaging brewery preferred, but not required
- Mechanical experience and aptitude required
- An understanding of quality assurance (QA) methods and techniques, laboratory operations and basic knowledge of chemistry and biology is preferred
- Prior packaging, bottling, and racking experience preferred
- Ability to operate a forklift, hand truck and pallet jack required; forklift certification preferred
- Excellent communication, time management, problem solving and organizational skills
- Natural leadership required with the ability to perform tasks with minimal supervision
- Must be sociable, willing and comfortable to represent the brewery in public
- Ability to work as part of a team

### **Working Conditions/Physical Requirements**

- Ability to lift up to 170 lbs above knee height
- Ability to frequently sit, stand, walk, stoop, kneel, crouch and crawl
- Ability to climb, twist, pull, stoop, lift and bend repetitively
- Ability to climb into small spaces(tanks)
- Willingness to work in wet, hot, and cold conditions safely with potentially hazardous chemicals
- Willing to work in a consistently loud environment
- Ability to operate a forklift, keg truck and aerial lift to perform job

### **What to expect from this position**

- A fun, challenging, and highly rewarding work environment
- Beer/Taproom Discounts
- Merchandise Discounts
- Valued, appreciated, and rewarded for your efforts and contributions
- Flexible PTO
- Eligible for employer sponsored health insurance
- Starting hourly wage: \$18/hr, overtime eligible
